# Supporting Teachers and Learners Through Classroom Assessment

**Presenter:**

**Liying Cheng (PhD)**

**Professor, Queen's University Faculty of Education**

<http://educ.queensu.ca/faculty/profiles/cheng>

Assessment of student learning is unquestionably one of the teacher's most demanding, complex and important tasks. This workshop involves teachers in hands-on activities that will lead to an understanding of the major components of classroom assessment and a discussion of models of learning. Teachers will explore their methods and procedures in relation to their own purposes of assessment.

## Queen's University International Centre

87 Union Street, Second Floor, John Deutsch University Centre

See map at [Queen's University International Centre](#)

Free parking in Union and Albert Street surface lot, two blocks west of the JDUC.
